

FREE MINI LIBRARY

SAFETY RULES:

AT LIBRARY:

Sanitize hands and knobs before opening.

If you are sick, don't share books until you are symptom-free.

Do not gather with others here. Social distancing is critical to flattening the curve and slowing the spread of the coronavirus.

Sanitize hand and knobs after closing.

AT HOME:

Wash your hands when you get home.

To be extra-cautious, clean the books with a microfiber cloth or disinfectant wipes.

**CLEANING REMOVES VIRUSES
AND BACTERIA FROM SURFACES,
BUT DISINFECTING KILLS THEM.**
